## THE AMERICAN ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE SECTION B—PHYSICS

THE annual meeting of Section B, Physics, of the American Association for the Advancement of Science, was held in Fayerweather Hall of Columbia University, in New York City, on December 27, 28 and 29, 1906. The annual meeting of the American Physical Society occurred at the same time and place; each society nominally held a separate meeting for the transaction of business, but all of the sessions for the reading of papers were joint sessions.

The presiding officers were Professor W. C. Sabine, of Harvard University, vice-president and chairman of Section B, and Professor Carl Barus, of Brown University, president of the American Physical Society. The other officers of Section B who were present were the retiring vice-president, Henry Crew; the secretary, D. C. Miller; member of the council, E. F. Nichols; member of the general committee, William Hallock; members of the sectional committee, Henry Crew, W. C. Sabine, D. C. Miller, E. B. Rosa (elected at this meeting to serve for five years), G. F. Hull, E. L. Nichols; press secretary, W. S. Day.

For the next meeting, to be held in Chicago, in convocation week of 1907-8, the officers, so far as now determined, are:

MSS. intended for publication and books, etc., intended for review should be sent to the Editor of SCIENCE, Garrison-on-Hudson, N. Y.
